Dear Mr. Behrens:

This office has recieved a copy of a letter dated December 9, 1982, from the State of Utah Division of Oil, Gas, and Mining concerning the permitting of your operations near Little Mountain. We are not sure just exactly what information the Division of Oil, Gas, and Mining is requesting nor what the problems are between your company and the Division of Oil, Gas, and Mining concerning the proper permitting of your operations, but we would ask that you work with the Division of Oil, Gas, and Mining to get all of the required permits as soon as possible.

Thank you for your cooperation in this matter.

Yours very truly,

DONALD G. PRINCE
